PRESIDENTIAL RAMBLINGS Of Gene Hoover

Well Beth already spilled the beans on the bigger scooter it is a 2004 Suzuki 1400 Intruder we should be able to pick it up Tuesday night. We have had some good rides with some good turn as the last ice cream was quite large and long, it was a very good ride thanks to Wild Bills lead! Don't forget dinner ride this week and we will start having monthly meetings soon and then there's elections and the Christmas party to think about, don't forget Nancy's stoner ride contest. (jab-jab). Its not too soon to be thinking what we all want to do for next years agenda while things are still in mind of this year as too what worked what didn't work and what was just so so. So for now lets ride!!!!!!!!!!!!!!!

TREASURER'S REPORT

by Beth Hoover

So Gene and I have been on some good rides the last week or so. We had a good time on the last ice cream ride and we rode all day between Lansing and Grass Lake yesterday. We attempted to go to the Wheels of Thunder in Grass Lake, but we didn't make it until after it rained and most of the vendors had already picked up, we made it in time for a very LOUD band. We are also, looking into getting me a different bike, so watch out for me, because it is bigger! Hope to see everyone on Thursday for the dinner ride!
